SIT317 - Team Allocation and Project Survey (T1-2024)

The survey will take approximately 5 minutes to complete.

1. I am currently assigned to the following Workshops as per my enrolment:

   Please use the "Other option" if you are not yet assigned to a Workshop and would like some help. * 🔲

   ○ Burwood On-campus Workshop Monday 10am - 1pm

   ○ Geelong On-campus Workshop (Check Deakin Emails for Location)

   ◉ Online Student Workshop Tuesday 6 - 8pm

   ○ Please assign me to an Offline Team, as I can't make one of the Scheduled workshops

   ○ Other

2. From the list of Project ideas and Problems statements below please select your Top 5 Projects Only. * 🔲

   ☑ **Project 1: Pay it forward -** Giving Back is a social responsibility movement for companies and individuals, where free meals, coffees, and other basic amenities are offered to those in need. How can we do more to raise awareness of this social movement and/or to start your own "Pay it forward" activity.

☐ **Project 2: Pet Monitoring in the Home** - Help pet owners (fur parents) keep track of their Pets throughout the day.

☐ **Project 3: Increasing Cyber Awareness for Senior Citizens** - How can you help protect those not born in the digital age from Cyber Crime and Threats.

☑ **Project 4: Online Student Study Buddy** - Finding a study buddy, how to create an environment for Online students to feel supported.

☑ **Project 5: Reducing Food Waste** - With the cost of living go up and up, how can we help households keep track of their food purchases so that they can reduce overspending and food waste. How can you help?

☑ **Project 6: Get Active** - People often struggle to keep motivated when they are starting a new fitness or lifestyle change. Think about ways in which you can use things like gamification or social connectedness to help people stay active and motivated.

☐ **Project 7: Providing Access** - How can you use Gaming, VR and AR to help breakdown access to locations, events, sports, and dance for people who might not otherwise have access either through distance, disabilities, or finances?

☐ **Project 8: Monitor That ! -** Today many most people are busy, consider how sensors might assist in making life easier, in this space you could consider for example: Pet Ownership, Monitoring Small Children, managing the house whilst away on holidays, security etc.

☑ **Project 9: University Help** - Starting University can be difficult, how can you help with this transition?

3. From the previous question please Rank your Top 5 project in order of preference with the your most preferred being listed first.

For example: 4, 9, 3, 6, 1
(Hence project 4 is the most preferred project from the list of 5 and Project 1 is the least preferred.) * 📖

   5, 6, 4, 1, 9

4. Team Roles - Ranking for Selection

Please rank the Teams roles from 1 through to 5, where 1 (top) is the role you most want to hold and 5 (bottom) is the role you least want to have within the team structure. We will do our best to accomodate your first 2 preferences where ever possible. *

1	CHIEF TECHNOLOGY OFFICER (CTO)A role for those who are interested in building, developing and seeing the idea come to life.
2	CHIEF DESIGN OFFICER (CDO). This role is for those who are interesting is making sure that the solution fit the needs of the "WHO" the solution is for.
3	CHIEF BUSINESS OFFICER (CBO)A role for those interested in planning and forming the details and requirements for the idea.
4	CHIEF MARKETING OFFICER (CMO)A role for those who have an eye for detail for details and who is interested in getting the idea out to the target audience and market.
5	CHIEF EXECUTIVE OFFICER (CEO)A role for those interested in leadership and motivating the team to achieve the team and project goals.
